

AGENDA

Regular Chapter Meeting
February 3, 2011

8:00 am- Self-Introductions

1. Inspection/ Plan Check Questions

Stock Building Plans- do any of the jurisdictions give applicants a break on plan review fees when stock, reversed, mirrored, or flipped floor plans are submitted?

2. Correspondence- CEC/ CALBO Letter

3. Membership Applications/ Dues

4. Chapter Training- Dave Muehlhausen is working to make arrangements for an IRC Conventional Construction/ Wall Bracing Seminar, taught by John Hendry if possible, and an IBC Seminar.

5. Treasurer's Report

6. New Business

Consideration of the following options regarding the assessment of attendance fees for Chapter Training:

- A.** Charge attendance fees for chapter training that fully recover the cost and not subsidize the cost of training with membership dues or reserves. (estimated at approx. \$50/ attendee)
- B.** Subsidize attendance fees from membership dues to the maximum extent possible (estimated 10%), without drawing down reserves. (estimated attendance fee of approx. \$45/ attendee)
- C.** Continue to draw from reserves to allow members to attend chapter training at no additional charge beyond the membership fee. (estimated \$5300. drawdown of reserves during 2011)

9:00 am Speaker- Mario Gomez, Underwriters Laboratories

Topic: "Code Officials Guide to UL"

Closing comments/ Adjourn
