5. **Announcements & Communication**

- ICC Sept and Oct announcements are posted to the website.

6. **OFFICERS AND COMMITTEE REPORTS**

1. President: **Bill Fitzpatrick**

- I attended the Ohio Conference. Many new contacts and introductions. I found the process to be illuminating in the fact that it is OK with not needing to know all about every subject in the code. The ICC community thrives on feeding off each other and providing that support for each other.
- I have begun a campaign to modify the truncated dome rules to make them more of an option to choose from along with other options to assist with the mobility impaired folks challenges with them. We will see how it goes, many very supportive ICC members are willing to lend their advice and contacts to the cause. Wish me luck.

❖ Committee members; please get me agenda items 1 week ahead of upcoming meetings to allow time for them to be on the agendas.
Thank you.
