Notes:

- ICC has a new cloud-based testing system, Proctored Remote Online Testing Option (PRONTO) which enables candidates to take ICC certification exams at their convenience on their home or office computer, 365 days a year, 24 hours/day. Here is a great resource for more information: <https://www.iccsafe.org/education-certification/assessment-center/pronto-administration/>.
- Value of the Code Official. Visit our campaign webpage for valuable support materials: [click here](#)
- Free video on solar updates: National expert Jim Rogers discusses new solar updates and additions to the NEC in this video from a previous, sold-out webinar. Content includes large-scale photovoltaic electric supply stations, energy storage systems, rapid shutdown and photovoltaic systems grounding. [View the video](#).
- It's not too early to plan for ICC's 2018 Annual Conference:
