

Take Advantage of 2017 Pricing for 2018!

Register for an upcoming event before the end of the year.

The [Learning Center](#) at the International Code Council (ICC) has the training events you need to advance your career. Our Institutes, Seminars, Certification Test Academies and Online Learning opportunities are developed and led by nationally recognized code experts with decades of experience. You will earn valuable CEUs while networking and sharing experiences with your peers.

Browse upcoming 2018 events below, and click on an event to learn more and register!

Institutes

Multi-day training events held at locations throughout the US. Engage with peers, earn CEUs and develop new skills you can immediately put to use.

Upcoming 2018 Institutes:

[Code Official](#) | Jan. 22–25
[Principles of Building Safety Leadership](#) | Jan. 29–31
[Fire and Life Safety](#) | Feb. 26–28

Certification Test Academies

If you are ready to take that certification exam, our Certification Test Academies are for you. Each Academy features interactive, question-based review and is led by code experts. These events include the certification exam on the final day.

Upcoming 2018 Academies:

[47-Reinforced Concrete](#) | Jan. 17–19
[66-Fire Inspector](#) | Jan. 22–25
[B1-Residential Inspector](#) | Feb. 5–8

Seminars

Single-day training events are an opportunity to focus on critical code topics to ensure your code knowledge stays up to date. Many Seminars offer a Virtual Classroom option so you can participate in the event from any location with an internet connection.

Upcoming 2018 Seminars:

[2018 IBC Significant Changes](#) | Jan. 18
[2018 IRC Significant Changes](#) | Jan. 30
[2016 CBC Essentials](#) | Feb. 21
[2016 CRC Essentials](#) | Feb. 28

Online Learning

Keep your skills sharp and earn CEUs – on your schedule. Online learning is available 24/7 from the Learning Center. We have added over 80 new online courses to our already robust catalog. See the complete listing in the [Learning Center](#) under "Online Courses."
