

## Efficiency Division Updates

- Business meeting on April 26 – nothing to report
- Next business meeting is May 11. [Business Meetings agendas and minutes](#). Proposed items:
  - Consider updates and amendments to
    - HERS program regulations (Title 20, §§1670-1675)
    - Title 24, Parts 1 and 6, as necessary to improve regulatory alignment, CEC oversight, program performance; and amend and clarify other sections
  - Certification of the 2022 Single-Family Residential, Nonresidential, and Multifamily Compliance Manuals
  - Approval of NLCAA amendment to their ATTCP application under the 2019 Energy Code
- 2022 Energy Code Draft Alternative Calculation Methods (ACM) for Single-family, Nonresidential, and Multifamily are available. Visit the [2022 Energy Code software webpage](#) for the ACM reference manuals and additional information
- CEC Renewables Division will oversee implementation of the [California Automated Permit Processing \(CalAPP\) Program](#) to provide grants to local jurisdictions
